Part-time enrollment is defined as less than twelve credit hours per term. Part-time enrollment impacts eligibility of financial aid.

#### TUITION AND FEE PAYMENT

Tuition and fees are due in full no later than the first day of each semester, as seen on the published Academic Calendar. The CCMS Academic Calendar is available at [www.ccms.edu](http://www.ccms.edu). Tuition, fees, financial aid awards and disbursements are viewable in the student's Populi account Financial dashboard. Enrollment in a CCMS program or any course includes, as a condition, good financial standing under this policy.

Tuition and fees are subject to change at the discretion of the college and Board of Trustees. Increases are applicable to current and new enrollment unless otherwise specified.

CCMS and the Office of Financial Aid strives to assist students with options where their financial situation may affect their ability to pay tuition by the due date, however it is the student's responsibility to successfully establish communication with the appropriate administrator prior to a payment deadline to avoid unenrollment for non-payment of tuition.

As a courtesy, one calendar week grace period may be granted for special circumstances within which a non-negotiable late fee of \$100 will be incurred.

Non-payment of tuition and fees by the end of calendar week two of any semester may result in automatic withdrawal from an academic program.

Tuition is paid using the Financial tab in the student Populi dashboard ("Make a Payment"). Payment is accepted using electronical check (no fee) or by credit card (4% fee applies). Students may also share the "Someone Else Paying" url payment link provided under the payment button with a third-party that allows direct payment by that party such as a parent, partner, or employer (no username, password, or access to Populi required.) Payment by physical check on campus is also accepted.

Students receiving financial aid should communicate directly with the CCMS Office of Financial Aid at [finaid@ccms.edu](mailto:finaid@ccms.edu) regarding FAFSA, accepted and declined aid, scheduled and disbursed awards, or any other federal, state, or private aid and loans. Scheduled aid disbursed is reflected and easily viewable in the student Populi Financial dashboard.

## **DELINQUENT TUITION BALANCE**

An unpaid tuition balance may result in non-enrollment, financial lock of a student's Populi account, and no access to grades, courses, and transcripts. Official transcripts and degrees will not be certified or issued for any student/graduate having an outstanding tuition balance. The student cannot participate in any graduation ceremonies or activities if there is a delinquent balance. Delinquent tuition is subject to a 1.5% accruing monthly interest charge.

## **REFUND POLICY AND WITHDRAWAL**

Failure to comply with the College's published Attendance Policy may result in automatic withdrawal.
