

Funeral Home Housing and/or Employment List

Are you interested in a real-world funeral service experience, while attending the Cincinnati College of Mortuary Science? The Cincinnati-Northern Kentucky Funeral Homes listed below offer this opportunity to **CCMS students** which can include employment, housing, or other compensation. Students should contact funeral homes individually to discuss current job openings, possible living arrangements, or other compensation. This list is not all inclusive, and students may contact other funeral homes or refer to the Job Board found on the CCMS website for other opportunities.
